

Teddie

Rescued: 6th December 2010

Rehomed: 13th January 2011

Teddie was rescued from the pound on 6th December. He is a gorgeous little wiry haired Yorkshire Terrier cross approximately 2 years old. Teddie found his forever home on 13th January 2011 with his new owner Nick. He is so far coming along brilliantly but did give Nick a heart attack by getting upstairs and jumping on him in the middle of the night!

Good luck Teddie and a big thank you to Nick for giving him a second chance.
